

County Service Area 70 Zone SP-2 (High Country)

Report Created:1/22/2018

County Service Area 70 Zone SP-2 is governed by the County Board of Supervisors and reports one business-type fund. The zone has no direct employees, it operates with personnel and supplies provided by County Service Area 70. The zone operates a sewer collection system that provides service to 231 EDUs in the High Country Development tract of homes in the Oaks Hills area. Through an out-of-area service agreement with the City of Hesperia, the zone also provides service to 517 EDUs within city boundaries. Services are funded by user fees and service charges. The zone does not receive general levy property tax revenue, therefore assessed value data is not compiled by the County. The audits identify the receipt of property taxes even though the zone receives service charges. Sewage treatment and disposal is provided by contract with the Victor Valley Wastewater Reclamation Authority.

Property Tax Revenue

Description

This indicator will have more importance for those agencies heavily reliant upon property tax revenues. As this revenue source is relatively stable and lags about two years behind changes in market conditions, this indicator can potentially depict the level of stability of an agency's revenue base.

Formula:
property tax revenue

Charges for Service (business)

Description

Addresses the extent to which charges for service covered total expenses. A ratio of one or higher indicates that the service is self-supporting.

Formula:
charges for
service/operating
expenses (minus
depreciation)

Change in Cash and Cash Equivalents (business)

Description

Cash and cash equivalents are the most liquid assets of an agency's assets and can be readily converted into cash. A positive percent change indicates that a government's cash position has improved.

Formula:

$$\frac{\text{change in cash \& cash equivalents}}{\text{begin cash \& cash equivalents}}$$
